United Way Offers Free Assistance with FAFSA Filing

United Way of Southwestern Indiana is offering FREE assistance with filing the Free Application for Federal Student Aid (FAFSA).

The FAFSA Filing Workshops were developed by a partnership between United Way of Southwestern Indiana, Southwest Indiana College Access Network (SICAN), Infinite Scholars of Evansville, Ivy Tech Community College and Twenty-first Century Scholars. The goal of the program is to assist college-bound students and their families with filing the Free Application for Federal Student Aid - a form required by most colleges and universities to determine financial aid eligibility for students. The FAFSA Filing Workshops help families take an important step towards achieving college goals and dreams for the future.

There are five FAFSA sites remaining this year - Carver Community Organization, EVSC Center for Family, School and Community, Central Library, Ivy Tech Community College and Boys & Girls Club.

A complete list of dates, times and locations is available below and by visiting United Way's website at www.unitedwayswi.org or dialing 2-1-1. A 2-1-1 Community Resource Specialist can also provide a list of required items.
