

# CONGRATULATIONS on your new job!

You are fortunate to work for an employer that is committed to improving our community by supporting United Way of Southwestern Indiana. For over 90 years, United Way has been serving our community. United Way funds over 60 programs focusing on education, income and health, the building blocks of a good life. We work with community partners to find long-term, strategic solutions to address our community's most critical issues.

We hope you consider joining your colleagues and showing your support by making a personal pledge to United Way this year.

Your choice to give is personal and voluntary, but if you're inspired to help make a difference:

## HOW TO GIVE:

- Simply fill out the attached pledge form and submit it to your Human Resources representative or Employee Campaign Coordinator.
- You can choose to donate one time, or have deductions taken out with each paycheck. Either option is easy and convenient.
- If you would like to receive periodic updates on the good work made possible by your investment, please be sure to include your email address.

For more information, or to see a list of our partners, programs and initiatives, please request a United Way brochure from your HR Manager, or visit [unitedwayswi.org](http://unitedwayswi.org).

# THANK YOU!
