

# WE THANK OUR GENEROUS LEADERSHIP DONORS

## LIVE UNITED

### United Way of Southwestern Indiana

The United Way of Southwestern Indiana thanks and recognizes these leadership donors who supported our 2017 Campaign by pledging \$1,000 or more. Collectively, these caring individuals contributed \$1,687,899 and their generosity helped the United Way touch more than 145,000 lives by creating positive and lasting change in our community.\*

**Alexis de Tocqueville Society**  
The Alexis de Tocqueville Society was founded in honor of the French historian Alexis de Tocqueville, who visited America in 1831. Tocqueville's most important observation was that Americans helped each other in times of need. Tocqueville Society members set the standard for charitable giving in our community by making an annual gift of \$10,000 or more. Their passion and commitment inspires others and makes long-term improvements in the critical areas of health, education and financial stability. This distinguished group of community-minded investors understands how generosity today impacts generations of tomorrow.
