

YOUNG LEADERS UNITED

United Way of Southwestern Indiana's Young Leaders United (YLU) is for young professionals, age 40 and under, who want to be involved in the community in meaningful ways.

YLU offers unique opportunities to get involved to work towards building a stronger, healthier community. Throughout the year, YLU members participate in various volunteer opportunities, attend professional development luncheons, take tours of United Way partner agencies, and enjoy social networking events.

If you would like to learn more about how you can get involved please contact Katie Grunow at kgrunow@unitedwayswi.org or 812-421-7478.
