**Meet Gretchen**

Gretchen makes a pledge to United Way. Her monthly donation is invested in local programs in Southwestern Indiana focusing on health, education, financial stability and essential services.

$15 a paycheck can make this happen.*

Kara learns leadership skills through after-school and summer programs that focus on developing good habits, character building and self-esteem.

$19 a paycheck can make this happen.*

Joseph attends an early childhood education program to help him prepare for school.

Kara’s mother enrolls in a financial literacy program as she works towards saving money and investing in Kara’s future.

$21 a paycheck can make this happen.*

**Meet Joseph and Kara**

Joseph and his family miss less school and work because of quality health care.

Kara and Joseph graduate from high school opening doors to many opportunities leading to a strong career path.

In turn, Kara and Joseph help build a stronger community by becoming donors and volunteers.

So the next kids like them can start their journey here.
