## United Way of Southwestern Indiana

The United Way of Southwestern Indiana thanks and recognizes all of our leadership donors who provided crucial support for the 2020 Campaign, including those who wish to remain anonymous. Their leadership gifts, of \$1,000 or more, collectively amount to more than \$1,532,000 in charitable investment into Vanderburgh, Warrick, and Spencer counties. The caring, philanthropic spirit of each of these individuals ensures that our United Way can continue its vital work in creating a community in which all persons have the opportunity to reach their full potential.\*

### Alexis de Tocqueville Society

Tocqueville Society members set the standard for charitable giving in our community by making an annual gift of \$10,000 or more. Their commitment inspires others and empowers the United Way to do the transformational work of creating a more equitable region. This distinguished group of community-minded investors understands how generosity today impacts the generations of tomorrow.
