### **Integrity of Cash Prize Drawing Entries**

Individuals who qualify for the cash prize are automatically entered into the drawing as their pledges are processed. Participating workplace campaigns that provide individual donor information to the United Way can be assured their donations will be eligible for the drawing. Companies that do not typically provide individual pledge information may submit a list of those

employees who have qualified. Those names are added to the database of automatic qualifiers. Additionally, individuals who submit an entry outside the automatic qualification process are also entered into the database. Although we cannot publish the list of all who qualify, if a workplace campaign requests a list of qualifiers from their own company, United Way of Southwestern Indiana can provide it prior to the drawing, but after all pledges received by December 31, 2022 have been posted. Please call 812-422-4100 for more information.
