○ ON THE PATH TO SUCCESS

"I went through drug addiction for four years and had absolutely nothing to show for myself, not even a place to live. I was in a dark place I could not rise from. But with good support, I was able to overcome the addiction. I had an interest in CDL truck driving but never saw myself in a better place to save enough money to finance the class. The WorkOne program provided me with an opportunity to make a better life for myself that I may never have achieved without it. I got my CDL and now make \$23 an hour. I've been drug free for two and a half years and I have begun to rebuild my life." - **C.G.**

"My daughter has benefited so much from KCamp! She learned to write her name, trace letters... she'd come home and constantly pronounce letters of the alphabet. She's been having a blast learning how to raise her hand, taking turns, and trying to be a leader." - **KCamp parent**

"I've been using the free tax service for 5 plus years. I would not be able to complete taxes without the assistance. Staff is always very professional and friendly. I'm very grateful for United Way!" - **J.C.**
